

Alfa - The Baadshah of 3-wheelers, now brings you even more benefits with two new variants. Designed keeping in mind your every need, so that your business flourishes and you earn more.

The new Alfa range is better in every aspect. Its stylish and strong build quality, comfortable ride, spacious cabin and safety features give it a unique identity. While its best-in-class mileage, lowest-in-class maintenance and best-in-class 24 month warranty, give you maximum returns.

Let's take a look at its features.

ALFA CHAMP *BEST PERFORMANCE IN ITS CLASS*

The Alfa Champ's high performance and compact build quality gives you unparalleled ability to work your way through crowds and narrow roads with ease.

PERFORMANCE

- Its powerful 1 kw starter motor enables the engine to start easily, especially in cold conditions
- Excellent mileage and unmatched pick-up
- A snorkel exhaust makes sure the engine remains well maintained for a long period

STYLE

- Most stylish body in its class
- Compact superstructure with stylish canopy
- Attractive black dashboard and mudguard to match body and canopy

MANEUVERABLE (NAVIGABLE)

- A well-structured body with a plastic skirting that protects it from bruises, scratches and costly repairing.

ALFA DX *STRONGEST IN ITS CLASS*

The sturdy new Alfa DX gives you unmatched ability to drive on any type of roads.

TOUGHNESS

- Strongest-in-class body and superstructure
- Sturdy 4-bolt wheel mounting

COMFORT

- Spacious canopy so your passengers enjoy ample space
- Large cabin with ample head room, leg room and shoulder room
- Comfortable seats for drivers and passengers
- Reduced fatigue due to reduced vibrations

STYLE

- Attractive dual tone (black & red) seats
- Attractive black dashboard and mudguard to match body and canopy
- Push button start

PERFORMANCE

- Powerful starter motor that enables the engine to start easily, especially in cold seasons
